

**Lieve Pollet, Belgium,**

**Taste of Binche lace (drawing and making lace)**

**14, 15, 17, 18 August, 2023**

**For the lace making:**

Egyptian cotton 80/2

Large/long fine pins

Pillow and lace making tools

Each lace sample needs about 50 bobbins.

**Also important for the pricking:**

Blue self-adhesive plastic

Cardboard

(Binche lace needs a strong pricking to have a nice result).

These materials can be bought in the web shop of our  
Lace center <https://www.kantcentrum.eu/nl/webshop>

Before the course, Lieve will send class exercises by email.

Notebook: These exercises will be utilized during the class sessions. For the theory a notebook is needed for notes.

Markers (violet, green, red, dark blue, very light blue, black)

Pencil

Eraser

After class, students will receive technical drawings of the exercises.
